**THE BEST LEADERS
KNOW THIS**

BOSS

- Drives employee
- Depends on authority
- Inspires fear
- Says, "I"
- Places blame for the breakdown
- Knows how it is done
- Uses people
- Take credit
- Commands
- Says, "Go"

DIFFERENCE BETWEEN

VS.

“The pessimist complains about the wind. The optimist expects it to change. The leader adjusts the sails.”

—John Maxwell

Think
about this

What do you need from a leader?

What would turn you off from a leader?

What kind of leadership style would you say you have?

The slide features a central white rectangular area containing text. This area is surrounded by several overlapping geometric shapes: a light blue triangle in the top-left corner, a yellow triangle in the top-right corner, a teal shape in the bottom-right corner, and a light blue triangle in the bottom-center. The text is centered within the white area.

Growth is optional.**

I Bought a Burrito From Chipotle in Four Easy Payments

Affirm, Klarna, and other buy now, pay later plans now let you take out loans for just about anything. Consumer advocates don't think that's a great idea.

Nick Saban walked up to the interview podium after practice one day.

“Okay, y’all ready for a lecture?” he asked.

“Let’s talk about the importance of nothing. You get up every day, you’re entitled to nothing. Nobody owes you nothing.

“You have talent, but if you don’t have discipline, you don’t execute, you don’t focus, what do you get? Nothing.

“If you’re complacent and not paying attention to detail, what does that get you? Nothing.

“So, nothing is acceptable but your best.

“Everything is determined by what you do and trying to be your best. There should be nothing else but that, for everybody.

“That’s what we need to stay focused on. We need to not accept anything but our best in terms of what we’re doing in preparation.”

It is about a commitment to
excellence every day in
everything you do

As great as Nick Saban is.....he's been replaced in less than 48 hours. The reality of this life is we are all replaceable at work, with our friends, in social settings, but there's one place you are not replaceable: AT HOME.

Invest in eternal things with your family because one day it's the only thing that will matter. Someone else will live in your house. Someone else will work in your office, but no one else will ever be your kid's father or mother.
