Full-Day Continuous Category 2 and Category 3 Lectures ARE NOW FREE, TICKETED EVENTS

Only attendees who have registered for the free **Category 2** and **Category 3** full-day continuous lectures will be permitted entry before the published start time. Seating is only guaranteed up until the published start time. After that, your ticket will no longer be valid and admittance to the lecture will be on a first-come, first-served basis.

Full-day continuous **Category 1 (Core)** lectures follow the specific protocol designated by the RCDSO QA program. Attendees arriving more than 15 minutes late and leaving 15 minutes early will forfeit any claim to Category 1 (Core) CE points. Your scan will automatically default to Category 2 or Category 3. You will not be allowed to submit an independent assessment or scan out of the Category 1 (Core) full-day continuous lectures.

Attendees at the Category 2 and Category 3 full-day continuous lectures must scan in both in the morning and afternoon to receive the six (6) continuing education points.

IMPORTANT: No points will be given for attending a half of a full-day continuous lecture.
