## REGISTERING FOR VIRTUAL ASM21

Here's how to register and access the Virtual ASM21 platform:

1. Visit [asm.oda.ca](http://asm.oda.ca) and click "REGISTER NOW"
2. Complete the online registration form and pay your registration fees. When your registration is complete, you will receive a confirmation email from Convention Data Services, the ASM's event registration partner.
3. After you register, in mid-April, you will receive an email from **InfernoAR** (the ASM virtual platform) asking you to 'reset' your password. This will allow you to create a password to login to the virtual platform. **PLEASE NOTE:** the password reset link is only good for 24-hours after you have received the automatic email. If you miss that 24-hour window, please send an email to [support@nextechar.com](mailto:support@nextechar.com) with the subject line "Ontario Dental Association" and let them know that you need help to create a password.

Use your password to login once the event goes live in May. Once you've logged in, please update your profile by clicking on the icon located on the top left corner of the page. This will let you network with other attendees.

The Exhibits Floor will be open on Monday, May 3. Join early to chat with exhibitors and set-up appointments before the event begins on Thursday, May 6, 2021.
